

MUS SPEAKS

Between May 22, 2002, and November 2, 2003, Secretary of Defense Donald "I don't do diplomacy" Rumsfeld made 52 misleading statements about the threat posed by Iraq in 23 separate public appearances. Bush Administration officials have since explained that he merely 'misspoke.'*

* FYI, 'misspeaking' is what Washington politicians call 'lying.' Source: *Iraq on the Record: The Bush Administration's Public Statements on Iraq,* special investigative report by the US House of Representatives Committee on Government Reform, 2004.
